## ABSTRACT.

Petitioner states that ever since the Kaval, Survey No. below the Amani tank of G. was transferred from the Amildar to the Revenue Department, many ryots were applying for it and were being uniformly kept that it would not be given before its assessment was fixed; that, this year, the Amildar, without publishing any notification to the effect that the land would be for one year, accepted a contract of one Madda and gave

Yesterday I issued certain  
orders on this subject.

In communicating them to the  
Deewan I send him this Petition, and  
add that the grant of  
land to Madan Sah for  
the E. Sah cultn. was  
when many others were willing  
to take it up. Similarly and  
had a better claim to do so,  
is most unsatisfactory. This  
land as well as the remainder  
of the land at ~~the~~ he  
sold by public auction before  
a high Rev. Off. in convenient  
blocks ~~at the same time~~  
~~for a few days~~ in due course in  
good time before the next  
cultn. season.

land for cultivation; and  
when hearing this, several  
persons applied for the remaining  
portion, it was announced that  
it would be sold on the  
30th July, but the sale was  
not held; that he hears  
that the ~~land~~ land is nominally  
given to Madar Sab and  
is recorded to be 50 acres in  
extent, but in reality it is  
more than 100 acres and  
is taken by the amildar  
for himself; and therefore  
he prays that the whole  
land may be sold either  
by the Deputy Commr or some  
Jst Commr in person, and  
that the portion now given to  
adar Sab may be given  
him permanently for a  
sum of Rs 1000 or be given  
him and other local ryots  
one year.
